

1. "Method of Test for Food Additive Specifications- Test of Dry Formed Vitamin A"
2. "Method of Test for Food Additive Specifications- Test of Vitamin A Oil"
3. "Method of Test for Food Additive Method of Test for Food Additive Specifications- Test of Vitamin A Fatty Acid Ester, in Oil"
4. "Method of Test for Food Additive Specifications- Test of Thiamine Hydrochloride (Vitamin B₁)"
5. "Method of Test for Food Additive Specifications- Test of Thiamine Mononitrate"
6. "Method of Test for Food Additive Specifications- Test of Riboflavin Phosphate Sodium"
7. "Method of Test for Food Additive Specifications- Test of Cyanocobalamin (Vitamin B₁₂)"
8. "Method of Test for Food Additive Specifications- Test of L-Ascorbic Acid (Vitamin C) "
9. "Method of Test for Food Additive Specifications- Test of Sodium L-Ascorbate"
10. "Method of Test for Food Additive Specifications- Test of L-Ascorbyl Stearate"
11. "Method of Test for Food Additive Specifications- Test of L-Ascorbyl Palmitate"
12. "Method of Test for Food Additive Specifications- Test of Calciferol (Vitamin D₂)"
13. "Method of Test for Food Additive Specifications- Test of *dl*- α -Tocopherol (Vitamin E)"
14. "Method of Test for Food Additive Specifications- Test of Tocopherols Concentrate, Mixed"
15. "Method of Test for Food Additive Specifications- Test of *d*- α -Tocopherols Concentrate"
16. "Method of Test for Food Additive Specifications- Test of *d*- α -Tocopheryl Acetate"
17. "Method of Test for Food Additive Specifications- Test of *dl*- α -Tocopheryl Acetate"
18. "Method of Test for Food Additive Specifications- Test of *d*- α -Tocopheryl Acetate Concentrate"
19. "Method of Test for Food Additive Specifications- Test of *d*- α -Tocopheryl Acid Succinate"
20. "Method of Test for Food Additive Specifications- Test of Nicotinic Acid"
21. "Method of Test for Food Additive Specifications- Test of Nicotinamide"
22. "Method of Test for Food Additive Specifications- Test of Calcium Oxide"
23. "Method of Test for Food Additive Specifications- Test of Calcium Carbonate"

24. "Method of Test for Food Additive Specifications- Test of Iron, Reduced"
25. "Method of Test for Food Additive Specifications- Test of Ferric Pyrophosphate (Iron Pyrophosphate)"
26. "Method of Test for Food Additive Specifications- Test of Iron Carbonyl"
27. "Method of Test for Food Additive Specifications- Test of Iron, Electrolytic"
28. "Method of Test for Food Additive Specifications- Test of Ferric Ammonium Citrate"
29. "Method of Test for Food Additive Specifications- Test of Ferric Chloride"
30. "Method of Test for Food Additive Specifications- Test of Ferric Citrate"
31. "Method of Test for Food Additive Specifications- Test of Ferrous Sulfate"
32. "Method of Test for Food Additive Specifications- Test of Ferrous Lactate"
33. "Method of Test for Food Additive Specifications- Test of Sodium Ferrous Citrate (Iron and Sodium Succinate Citrate)"
34. "Method of Test for Food Additive Specifications- Test of Potassium Iodide"
35. "Method of Test for Food Additive Specifications- Test of Potassium Iodate"
36. "Method of Test for Food Additive Specifications- Test of Methyl Hesperidin (Vitamin P)"
37. "Method of Test for Food Additive Specifications- Test of Menadione (Vitamin K₃) "
38. "Method of Test for Food Additive Specifications- Test of L-Histidine Monohydrochloride"
39. "Method of Test for Food Additive Specifications- Test of L-Isoleucine"
40. "Method of Test for Food Additive Specifications- Test of DL- Tryptophan"
41. "Method of Test for Food Additive Specifications- Test of L-Tryptophan"
42. "Method of Test for Food Additive Specifications- Test of L-Valine"
43. "Method of Test for Food Additive Specifications- Test of L-Lysine L-Glutamate"
44. "Method of Test for Food Additive Specifications- Test of L-Lysine Monohydrochloride"
45. "Method of Test for Food Additive Specifications- Test of DL-Methionine"
46. "Method of Test for Food Additive Specifications- Test of L-Methionine"
47. "Method of Test for Food Additive Specifications- Test of L-Phenylalanine"
48. "Method of Test for Food Additive Specifications- Test of DL-Threonine"
49. "Method of Test for Food Additive Specifications- Test of L-Threonine"
50. "Method of Test for Food Additive Specifications- Test of Sodium Pantothenate"
51. "Method of Test for Food Additive Specifications- Test of Calcium Pantothenate"
52. "Method of Test for Food Additive Specifications- Test of Potassium Chloride"
53. "Method of Test for Food Additive Specifications- Test of Magnesium Sulfate"

54. "Method of Test for Food Additive Specifications- Test of Choline Bitartrate"
55. "Method of Test for Food Additive Specifications- Test of Choline Chloride"
56. "Method of Test for Food Additive Specifications- Test of Ferrous Gluconate"
57. "Method of Test for Food Additive Specifications- Test of Magnesium Oxide"
58. "Method of Test for Food Additive Specifications- Test of Manganese Sulfate"
59. "Method of Test for Food Additive Specifications- Test of Magnesium Gluconate"
60. "Method of Test for Food Additive Specifications- Test of Magnesium Hydroxide"
61. "Method of Test for Food Additive Specifications- Test of Calcium Phosphate, Monobasic"
62. "Method of Test for Food Additive Specifications- Test of Calcium Phosphate, Dibasic"
63. "Method of Test for Food Additive Specifications- Test of Calcium Phosphate, Tribasic"
64. "Method of Test for Food Additive Specifications- Test of Iron Lactate"
65. "Method of Test for Food Additive Specifications- Test of Calcium Lactate"
66. "Method of Test for Food Additive Specifications- Test of Synthetic Zeaxanthin"
67. "Method of Test for Food Additive Specifications- Test of Lutein"
68. "Method of Test for Food Additive Specifications- Test of Calcium Citrate"
69. "Method of Test for Food Additive Specifications- Test of Synthetic Lycopene"
70. "Method of Test for Food Additive Specifications- Test of Calcium Gluconate"
71. "Method of Test for Food Additive Specifications- Test of New Coccin (Food Red No.6) "
72. "Method of Test for Food Additive Specifications- Test of Erythrosine (Food Red No.7)"
73. "Method of Test for Food Additive Specifications- Test of Erythrosine Aluminum Lake"
74. "Method of Test for Food Additive Specifications- Test of Tartrazine (Food Yellow No.4)"
75. "Method of Test for Food Additive Specifications- Test of Tartrazine Aluminum Lake"
76. "Method of Test for Food Additive Specifications- Test of Sunset Yellow FCF (Food Yellow No. 5)"
77. "Method of Test for Food Additive Specifications- Test of Sunset Yellow FCF Aluminum Lake"
78. "Method of Test for Food Additive Specifications- Test of Fast Green FCF (Food Green No. 3)"

79. "Method of Test for Food Additive Specifications- Test of Fast Green FCF Aluminum Lake"
80. "Method of Test for Food Additive Specifications- Test of Brilliant Blue FCF"
81. "Method of Test for Food Additive Specifications- Test of Brilliant Blue FCF Aluminum Lake"
82. "Method of Test for Food Additive Specifications- Test of Indigo Carmine (Food Blue No. 2) "
83. "Method of Test for Food Additive Specifications- Test of Indigo Carmine Aluminum Lake"
84. "Method of Test for Food Additive Specifications- Test of β - Carotene"
85. "Method of Test for Food Additive Specifications- Test of β -Apo-8'-Carotenal"
86. "Method of Test for Food Additive Specifications- Test of β -Apo-8'-Carotenoate, Ethyl"
87. "Method of Test for Food Additive Specifications- Test of Canthaxanthin"
88. "Method of Test for Food Additive Specifications- Test of Laccaic Acid"
89. "Method of Test for Food Additive Specifications- Test of Copper Chlorophyll"
90. "Method of Test for Food Additive Specifications- Test of Sodium Copper Chlorophyllin"
91. "Method of Test for Food Additive Specifications- Test of Sodium Iron Chlorophyllin"
92. "Method of Test for Food Additive Specifications- Test of Iron Oxides"
93. "Method of Test for Food Additive Specifications- Test of Iron Sesquioxide"
94. "Method of Test for Food Additive Specifications- Test of Allura Red AC (Food Red No. 40) "
95. "Method of Test for Food Additive Specifications- Test of Riboflavin Phosphate Sodium"
96. "Method of Test for Food Additive Specifications- Test of Titanium Dioxide"
97. "Method of Test for Food Additive Specifications- Test of Allura Red AC Aluminum Lake"
98. "Method of Test for Food Additive Specifications- Test of Lutein"
99. "Method of Test for Food Additive Specifications- Test of Synthetic Lycopene"
100. "Method of Test for Food Additive Specifications- Test of Ethyl Acetate"
101. "Method of Test for Food Additive Specifications- Test of Butyl Acetate"
102. "Method of Test for Food Additive Specifications- Test of Benzyl Acetate"
103. "Method of Test for Food Additive Specifications- Test of Phenylethyl Acetate"
104. "Method of Test for Food Additive Specifications- Test of Terpinyl Acetate"
105. "Method of Test for Food Additive Specifications- Test of Cinnamyl Acetate"
106. "Method of Test for Food Additive Specifications- Test of Geranyl Acetate"

107. "Method of Test for Food Additive Specifications- Test of Citronellyl Acetate"
108. "Method of Test for Food Additive Specifications- Test of Linalyl Acetate"
109. "Method of Test for Food Additive Specifications- Test of Isoamyl Acetate"
110. "Method of Test for Food Additive Specifications- Test of Cyclohexyl Acetate"
111. "Method of Test for Food Additive Specifications- Test of L-Menthyl Acetate"
112. "Method of Test for Food Additive Specifications- Test of Ethyl Vanillin"
113. "Method of Test for Food Additive Specifications- Test of Ethyl Acetoacetate"
114. "Method of Test for Food Additive Specifications- Test of Eugenol"
115. "Method of Test for Food Additive Specifications- Test of Butyric Acid"
116. "Method of Test for Food Additive Specifications- Test of Ethyl Butyrate"
117. "Method of Test for Food Additive Specifications- Test of Butyl Butyrate"
118. "Method of Test for Food Additive Specifications- Test of Isoamyl Butyrate"
119. "Method of Test for Food Additive Specifications- Test of Cyclohexyl Butyrate"
120. "Method of Test for Food Additive Specifications- Test of Undecalactone"
121. "Method of Test for Food Additive Specifications- Test of Anisaldehyde"
122. "Method of Test for Food Additive Specifications- Test of Ethyl Caproate"
123. "Method of Test for Food Additive Specifications- Test of Allyl Caproate"
124. "Method of Test for Food Additive Specifications- Test of Nonalactone"
125. "Method of Test for Food Additive Specifications- Test of Geranyl Formate"
126. "Method of Test for Food Additive Specifications- Test of Isoamyl Formate"
127. "Method of Test for Food Additive Specifications- Test of Citronellyl Formate"
128. "Method of Test for Food Additive Specifications- Test of Methyl Salicylate"
129. "Method of Test for Food Additive Specifications- Test of Ethyl Propionate"
130. "Method of Test for Food Additive Specifications- Test of Benzyl Propionate"
131. "Method of Test for Food Additive Specifications- Test of Isoamyl Propionate"
132. "Method of Test for Food Additive Specifications- Test of Methyl β -Naphthyl Ketone"
133. "Method of Test for Food Additive Specifications- Test of Methyl N-Methylantranilate"
134. "Method of Test for Food Additive Specifications- Test of Piperonal (Heliotropin)"
135. "Method of Test for Food Additive Specifications- Test of Ethyl Oenanthate"
136. "Method of Test for Food Additive Specifications- Test of Octyl Aldehyde"
137. "Method of Test for Food Additive Specifications- Test of Ethyl Caprylate"
138. "Method of Test for Food Additive Specifications- Test of Linalool"
139. "Method of Test for Food Additive Specifications- Test of Benzyl Alcohol"
140. "Method of Test for Food Additive Specifications- Test of Benzaldehyde"
141. "Method of Test for Food Additive Specifications- Test of Acetophenone"

142. "Method of Test for Food Additive Specifications- Test of Ethyl Phenylacetate"
143. "Method of Test for Food Additive Specifications- Test of Isobutyl Phenylacetate"
144. "Method of Test for Food Additive Specifications- Test of Isoamyl Phenylacetate"
145. "Method of Test for Food Additive Specifications- Test of Citronellol"
146. "Method of Test for Food Additive Specifications- Test of Citronellal"
147. "Method of Test for Food Additive Specifications- Test of Geraniol"
148. "Method of Test for Food Additive Specifications- Test of Vanillin"
149. "Method of Test for Food Additive Specifications- Test of Cinnamic Aldehyde"
150. "Method of Test for Food Additive Specifications- Test of Cinnamyl Alcohol"
151. "Method of Test for Food Additive Specifications- Test of Cinnamic Acid"
152. "Method of Test for Food Additive Specifications- Test of Methyl Cinnamate"
153. "Method of Test for Food Additive Specifications- Test of Ethyl Cinnamate"
154. "Method of Test for Food Additive Specifications- Test of Decyl Aldehyde"
155. "Method of Test for Food Additive Specifications- Test of Decyl Alcohol"
156. "Method of Test for Food Additive Specifications- Test of Eucalyptol (Cincol)"
157. "Method of Test for Food Additive Specifications- Test of Isoeugenol"
158. "Method of Test for Food Additive Specifications- Test of Ethyl Isovalerate"
159. "Method of Test for Food Additive Specifications- Test of Isoamyl Isovalerate"
160. "Method of Test for Food Additive Specifications- Test of Allyl Isothiocyanate"
161. "Method of Test for Food Additive Specifications- Test of Maltol"
162. "Method of Test for Food Additive Specifications- Test of Methyl Anthranilate"
163. "Method of Test for Food Additive Specifications- Test of Hydroxy Citronellal"
164. "Method of Test for Food Additive Specifications- Test of Hydroxy Citronellal Dimethylacetal"
165. "Method of Test for Food Additive Specifications- Test of *l*-Perillaldehyde"
166. "Method of Test for Food Additive Specifications- Test of Ionone"
167. "Method of Test for Food Additive Specifications- Test of *p*-Methyl Acetophenone"
168. "Method of Test for Food Additive Specifications- Test of *dl*-Menthol"
169. "Method of Test for Food Additive Specifications- Test of *l*-Menthol"
170. "Method of Test for Food Additive Specifications- Test of α -Amyl Cinnamic Aldehyde"
171. "Method of Test for Food Additive Specifications- Test of Citral"
172. "Method of Test for Food Additive Specifications- Test of Allyl Cyclohexyl Propionate"
173. "Method of Test for Food Additive Specifications- Test of *d*-Borneol"

174. "Method of Test for Food Additive Specifications- Test of Monosodium L-Aspartate"
175. "Method of Test for Food Additive Specifications- Test of Fumaric Acid"
176. "Method of Test for Food Additive Specifications- Test of Monosodium Fumarate"
177. "Method of Test for Food Additive Specifications- Test of Citric Acid; Citric Acid, Anhydrous"
178. "Method of Test for Food Additive Specifications- Test of Sodium Citrate"
179. "Method of Test for Food Additive Specifications- Test of Succinic Acid"
180. "Method of Test for Food Additive Specifications- Test of Monosodium Succinate"
181. "Method of Test for Food Additive Specifications- Test of Disodium Succinate"
182. "Method of Test for Food Additive Specifications- Test of L-Glutamic Acid"
183. "Method of Test for Food Additive Specifications- Test of Monosodium L-Glutamate"
184. "Method of Test for Food Additive Specifications- Test of *d*-Tartaric Acid"
185. "Method of Test for Food Additive Specifications- Test of *dl*-Tartaric Acid"
186. "Method of Test for Food Additive Specifications- Test of Sodium *d*-Tartrate"
187. "Method of Test for Food Additive Specifications- Test of Sodium *dl*-Tartrate"
188. "Method of Test for Food Additive Specifications- Test of Lactic Acid"
189. "Method of Test for Food Additive Specifications- Test of Sodium Lactate"
190. "Method of Test for Food Additive Specifications- Test of Sodium Lactate Solution"
191. "Method of Test for Food Additive Specifications- Test of Acetic Acid"
192. "Method of Test for Food Additive Specifications- Test of Acetic Acid Glacial"
193. "Method of Test for Food Additive Specifications- Test of DL-Malic Acid (Hydroxysuccinic Acid)"
194. "Method of Test for Food Additive Specifications- Test of Sodium DL-Malate"
195. "Method of Test for Food Additive Specifications- Test of Sodium Gluconate"
196. "Method of Test for Food Additive Specifications- Test of Glucono- δ -Lactone"
197. "Method of Test for Food Additive Specifications- Test of Glycine"
198. "Method of Test for Food Additive Specifications- Test of DL-Alanine"
199. "Method of Test for Food Additive Specifications- Test of Sodium 5'-Inosinate"
200. "Method of Test for Food Additive Specifications- Test of Sodium 5'-Guanylate"
201. "Method of Test for Food Additive Specifications- Test of Phosphoric Acid"
202. "Method of Test for Food Additive Specifications- Test of Calcium 5'-Ribonucleotide"
203. "Method of Test for Food Additive Specifications- Test of Potassium Chloride"

204. "Method of Test for Food Additive Specifications- Test of Caffeine"
205. "Method of Test for Food Additive Specifications- Test of L-Theanine"
206. "Method of Test for Food Additive Specifications- Test of Sodium Alginate"
207. "Method of Test for Food Additive Specifications- Test of Propylene Glycol Alginate"
208. "Method of Test for Food Additive Specifications- Test of Casein"
209. "Method of Test for Food Additive Specifications- Test of Sodium Caseinate"
210. "Method of Test for Food Additive Specifications- Test of Sodium Carboxymethyl Cellulose"
211. "Method of Test for Food Additive Specifications- Test of Calcium Carboxymethyl Cellulose"
212. "Method of Test for Food Additive Specifications- Test of Food Starch, Modified"
213. "Method of Test for Food Additive Specifications- Test of Methyl Cellulose"
214. "Method of Test for Food Additive Specifications- Test of Sodium Polyacrylate"
215. "Method of Test for Food Additive Specifications- Test of Carrageenan"
216. "Method of Test for Food Additive Specifications- Test of Xanthan Gum"
217. "Method of Test for Food Additive Specifications- Test of Alginic Acid"
218. "Method of Test for Food Additive Specifications- Test of Potassium Alginate (Algin)"
219. "Method of Test for Food Additive Specifications- Test of Calcium Alginate (Algin)"
220. "Method of Test for Food Additive Specifications- Test of Ammonium Alginate (Algin)"
221. "Method of Test for Food Additive Specifications- Test of Hydroxypropyl Cellulose"
222. "Method of Test for Food Additive Specifications- Test of Hydroxypropyl Methylcellulose (Propylene Glycol Ether of Methylcellulose)"
223. "Method of Test for Food Additive Specifications- Test of Polydextrose"
224. "Method of Test for Food Additive Specifications- Test of Curdlan"
225. "Method of Test for Food Additive Specifications- Test of Gellan Gum"
226. "Method of Test for Food Additive Specifications- Test of Tetrapotassium Pyrophosphate, Potassium Pyrophosphate, Tetrapotassium Diphosphate"
227. "Method of Test for Food Additive Specifications- Test of Tetrasodium Pyrophosphate, Decahydrate Sodium Pyrophosphate Tetrasodium Diphosphate, Decahydrate"
228. "Method of Test for Food Additive Specifications- Test of Tetrasodium Pyrophosphate, Anhydrous Sodium Pyrophosphate, Anhydrous Tetrasodium

Diphosphate, Anhydrous"

229. "Method of Test for Food Additive Specifications- Test of Potassium Polyphosphate"
230. "Method of Test for Food Additive Specifications- Test of Sodium Polyphosphate"
231. "Method of Test for Food Additive Specifications- Test of Potassium Metaphosphate"
232. "Method of Test for Food Additive Specifications- Test of Sodium Metaphosphate"
233. "Method of Test for Food Additive Specifications- Test of Potassium Phosphate, Monobasic"
234. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Monobasic"
235. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Monobasic, Anhydrous"
236. "Method of Test for Food Additive Specifications- Test of Potassium Phosphate, Dibasic"
237. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Dibasic"
238. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Dibasic, Anhydrous"
239. "Method of Test for Food Additive Specifications- Test of Potassium Phosphate, Tribasic"
