

1. "Method of Test for Food Additive Specifications- Test of Sorbic Acid"
2. "Method of Test for Food Additive Specifications- Test of Potassium Sorbate"
3. "Method of Test for Food Additive Specifications- Test of Sodium Sorbate"
4. "Method of Test for Food Additive Specifications- Test of Calcium Propionate"
5. "Method of Test for Food Additive Specifications- Test of Sodium Propionate"
"Method of Test for Food Additive Specifications- Test of Dehydroacetic Acid"
6. "Method of Test for Food Additive Specifications- Test of Sodium
Dehydroacetate"
7. "Method of Test for Food Additive Specifications- Test of Benzoic Acid"
8. "Method of Test for Food Additive Specifications- Test of Sodium Benzoate"
9. "Method of Test for Food Additive Specifications- Test of Ethyl
p-Hydroxybenzoate"
10. "Method of Test for Food Additive Specifications- Test of Propyl
p-Hydroxybenzoate"
11. "Method of Test for Food Additive Specifications- Test of Butyl
p-Hydroxybenzoate"
12. "Method of Test for Food Additive Specifications- Test of Isopropyl
p-Hydroxybenzoate"
13. "Method of Test for Food Additive Specifications- Test of Isobutyl
p-Hydroxybenzoate"
14. "Method of Test for Food Additive Specifications- Test of Sodium Diacetate
(Sodium Hydrogen Diacetate)"
15. "Method of Test for Food Additive Specifications- Test of Potassium Benzoate"
16. "Method of Test for Food Additive Specifications- Test of Nisin"
17. "Method of Test for Food Additive Specifications- Test of Thiamine
Dilaurylsulfate"
18. "Method of Test for Food Additive Specifications- Test of Propionic Acid"
19. "Method of Test for Food Additive Specifications- Test of Natamycin
(Pimaricin)"
20. "Method of Test for Food Additive Specifications- Test of Dimethyl
Dicarbonate"
21. "Method of Test for Food Additive Specifications- Test of Chlorinated Lime
(Bleaching Powder)"
22. "Method of Test for Food Additive Specifications- Test of Sodium Hypochlorite
Solution"
23. "Method of Test for Food Additive Specifications- Test of Hydrogen Peroxide"
24. "Method of Test for Food Additive Specifications- Test of Dibutyl Hydroxy
Toluene"

25. "Method of Test for Food Additive Specifications- Test of Butyl Hydroxy Anisole"
26. "Method of Test for Food Additive Specifications- Test of L-Ascorbic Acid (Vitamin C)"
27. "Method of Test for Food Additive Specifications- Test of L-Ascorbyl Stearate"
28. "Method of Test for Food Additive Specifications- Test of L-Ascorbyl Palmitate"
29. "Method of Test for Food Additive Specifications- Test of Erythorbic Acid"
30. "Method of Test for Food Additive Specifications- Test of Sodium Erythorbate"
31. "Method of Test for Food Additive Specifications- Test of dl- α -Tocopherol (Vitamin E)"
32. "Method of Test for Food Additive Specifications- Test of Propyl Gallate"
33. "Method of Test for Food Additive Specifications- Test of Guaiac Resin"
34. "Method of Test for Food Additive Specifications- Test of L-Cysteine Monohydrochloride"
35. "Method of Test for Food Additive Specifications- Test of Tertiary-Butyl Hydroquinone"
36. "Method of Test for Food Additive Specifications- Test of Calcium Ascorbate"
37. "Method of Test for Food Additive Specifications- Test of Tocopherols Concentrate, Mixed"
38. "Method of Test for Food Additive Specifications- Test of d- α -Tocopherols Concentrate"
39. "Method of Test for Food Additive Specifications- Test of Calcium Disodium Ethylenediaminetetraacetate (EDTA CaNa₂)"
40. "Method of Test for Food Additive Specifications- Test of Disodium Ethylenediaminetetraacetate (EDTA Na₂)"
41. "Method of Test for Food Additive Specifications- Test of Potassium Sulfite"
42. "Method of Test for Food Additive Specifications- Test of Sodium Sulfite"
43. "Method of Test for Food Additive Specifications- Test of Sodium Sulfite, Anhydrous"
44. "Method of Test for Food Additive Specifications- Test of Sodium Bisulfite"
45. "Method of Test for Food Additive Specifications- Test of Sodium Hydrosulfite"
46. "Method of Test for Food Additive Specifications- Test of Potassium Metabisulfite"
47. "Method of Test for Food Additive Specifications- Test of Sodium Metabisulfite"
48. "Method of Test for Food Additive Specifications- Test of Benzoyl Peroxide"
49. "Method of Test for Food Additive Specifications- Test of Potassium Nitrite"
50. "Method of Test for Food Additive Specifications- Test of Sodium Nitrite"
51. "Method of Test for Food Additive Specifications- Test of Potassium Nitrate"

52. "Method of Test for Food Additive Specifications- Test of Sodium Nitrate"
53. "Method of Test for Food Additive Specifications- Test of Potassium Alum (Aluminum Potassium Sulfate)"
54. "Method of Test for Food Additive Specifications- Test of Sodium Alum"
55. "Method of Test for Food Additive Specifications- Test of Burnt Potassium Alum (Aluminum Potassium Sulfate, Anhydrous)"
56. "Method of Test for Food Additive Specifications- Test of Ammonium Alum (Aluminum Ammonium Sulfate)"
57. "Method of Test for Food Additive Specifications- Test of Burnt Ammonium Alum (Aluminum Ammonium Sulfate, Anhydrous)"
58. "Method of Test for Food Additive Specifications- Test of Ammonium Chloride"
59. "Method of Test for Food Additive Specifications- Test of Potassium d-Bitartrate"
60. "Method of Test for Food Additive Specifications- Test of Potassium dl-Bitartrate"
61. "Method of Test for Food Additive Specifications- Test of Sodium Bicarbonate"
62. "Method of Test for Food Additive Specifications- Test of Ammonium Carbonate"
63. "Method of Test for Food Additive Specifications- Test of Ammonium Bicarbonate"
64. "Method of Test for Food Additive Specifications- Test of Potassium Carbonate"
65. "Method of Test for Food Additive Specifications- Test of Baking Powder"
66. "Method of Test for Food Additive Specifications- Test of Sodium Aluminum Phosphate, Acidic"
67. "Method of Test for Food Additive Specifications- Test of Burnt Sodium Alum"
68. "Method of Test for Food Additive Specifications- Test of Calcium Chloride"
69. "Method of Test for Food Additive Specifications- Test of Calcium Hydroxide"
70. "Method of Test for Food Additive Specifications- Test of Calcium Sulfate"
71. "Method of Test for Food Additive Specifications- Test of Calcium Gluconate"
72. "Method of Test for Food Additive Specifications- Test of Calcium Citrate"
73. "Method of Test for Food Additive Specifications- Test of Calcium Phosphate, Monobasic"
74. "Method of Test for Food Additive Specifications- Test of Calcium Phosphate, Dibasic"
75. "Method of Test for Food Additive Specifications- Test of Calcium Phosphate, Tribasic"
76. "Method of Test for Food Additive Specifications- Test of Calcium Dihydrogen Pyrophosphate"
77. "Method of Test for Food Additive Specifications- Test of Calcium Glycerophosphate"

78. "Method of Test for Food Additive Specifications- Test of Calcium Lactate"
79. "Method of Test for Food Additive Specifications- Test of Calcium Stearyl 2-Lactylate"
80. "Method of Test for Food Additive Specifications- Test of Calcium Carbonate"
81. "Method of Test for Food Additive Specifications- Test of Ammonium Carbonate"
82. "Method of Test for Food Additive Specifications- Test of Potassium Carbonate"
83. "Method of Test for Food Additive Specifications- Test of Sodium Carbonate; Sodium Carbonate, Anhydrous"
84. "Method of Test for Food Additive Specifications- Test of Magnesium Carbonate"
85. "Method of Test for Food Additive Specifications- Test of Ammonium Sulfate"
86. "Method of Test for Food Additive Specifications- Test of Sodium Sulfate"
87. "Method of Test for Food Additive Specifications- Test of Magnesium Stearate"
88. "Method of Test for Food Additive Specifications- Test of Magnesium Sulfate"
89. "Method of Test for Food Additive Specifications- Test of Magnesium Chloride"
90. "Method of Test for Food Additive Specifications- Test of Ammonium Phosphate, Monobasic"
91. "Method of Test for Food Additive Specifications- Test of Ammonium Phosphate, Dibasic"
92. "Method of Test for Food Additive Specifications- Test of Potassium Phosphate, Monobasic"
93. "Method of Test for Food Additive Specifications- Test of Potassium Phosphate, Dibasic"
94. "Method of Test for Food Additive Specifications- Test of Potassium Phosphate, Tribasic"
95. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Monobasic"
96. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Monobasic, Anhydrous"
97. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Dibasic"
98. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Dibasic, Anhydrous"
99. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Tribasic"
100. "Method of Test for Food Additive Specifications- Test of Sodium Phosphate, Tribasic, Anhydrous"

101. "Method of Test for Food Additive Specifications- Test of Potassium Metaphosphate"
102. "Method of Test for Food Additive Specifications- Test of Sodium Metaphosphate"
103. "Method of Test for Food Additive Specifications- Test of Potassium Polyphosphate"
104. "Method of Test for Food Additive Specifications- Test of Sodium Polyphosphate"
105. "Method of Test for Food Additive Specifications- Test of Sodium Acetate (Anhydrous)"
106. "Method of Test for Food Additive Specifications- Test of Sodium Acetate"
107. "Method of Test for Food Additive Specifications- Test of Glycerol"
108. "Method of Test for Food Additive Specifications- Test of Sodium Stearyl 2-Lactylate"
109. "Method of Test for Food Additive Specifications- Test of Aluminium Silicate"
110. "Method of Test for Food Additive Specifications- Test of Diatomaceous Earth"
111. "Method of Test for Food Additive Specifications- Test of Talc"
112. "Method of Test for Food Additive Specifications- Test of L-Cysteine Monohydrochloride"
113. "Method of Test for Food Additive Specifications- Test of Sodium Ferrocyanide"
114. "Method of Test for Food Additive Specifications- Test of Calcium Disodium Ethylenediaminetetraacetate (EDTA CaNa_2)"
115. "Method of Test for Food Additive Specifications- Test of Disodium Ethylenediaminetetraacetate (EDTA Na_2)"
116. Ethylenediaminetetraacetate (EDTA Na_2)"
117. "Method of Test for Food Additive Specifications- Test of Silicon Dioxide (Synthetic Amorphous Silica)"
118. "Method of Test for Food Additive Specifications- Test of Calcium Oxide"
119. "Method of Test for Food Additive Specifications- Test of Potassium Bicarbonate"
120. "Method of Test for Food Additive Specifications- Test of Glycerol Ester of Wood Rosin"
121. "Method of Test for Food Additive Specifications- Test of Petroleum Wax (Refined Paraffin Wax, Microcrystalline Wax)"
122. "Method of Test for Food Additive Specifications- Test of Rice Bran Wax"
123. "Method of Test for Food Additive Specifications- Test of Stearic Acid (Octadecanoic Acid)"
124. "Method of Test for Food Additive Specifications- Test of Adipic Acid (Hexanedioic Acid; 1,4-Butanedicarboxylic Acid)"

125. "Method of Test for Food Additive Specifications- Test of Aluminum Sulfate"
126. "Method of Test for Food Additive Specifications- Test of Perlite (Expanded Perlite)"
127. "Method of Test for Food Additive Specifications- Test of Hydroxypropyl Cellulose"
128. "Method of Test for Food Additive Specifications- Test of Hydroxypropyl Methylcellulose (Propylene Glycol Ether of Methylcellulose)"
129. "Method of Test for Food Additive Specifications- Test of Polydextrose"
130. "Method of Test for Food Additive Specifications- Test of Food Gypsum"
131. "Method of Test for Food Additive Specifications- Test of Acid Clay (Active Clay)"
132. "Method of Test for Food Additive Specifications- Test of Disodium Dihydrogen Pyrophosphate"
133. "Method of Test for Food Additive Specifications- Test of Carnauba Wax"
134. "Method of Test for Food Additive Specifications- Test of Calcium Chloride Anhydrous"
135. "Method of Test for Food Additive Specifications- Test of Sodium Trimetaphosphate"
136. "Method of Test for Food Additive Specifications- Test of Azodicarbonamide"
137. "Method of Test for Food Additive Specifications- Test of Benzoyl Peroxide"
138. "Method of Test for Food Additive Specifications- Test of Cross-Linked Sodium Carboxymethyl Cellulose"
139. "Method of Test for Food Additive Specifications- Test of Polyvinylpyrrolidone"
140. "Method of Test for Food Additive Specifications- Test of Calcium Stearate"
141. "Method of Test for Food Additive Specifications- Test of Potassium Ferrocyanide"
142. "Method of Test for Food Additive Specifications- Test of Calcium Ferrocyanide"
